

Ascendion Earns Great Place to Work Certification

Category: Business

written by | December 18, 2024

- Great Place to Work has once again recognized Ascendion as a leading employer, solidifying Ascendion's leadership in AI-first software engineering and talent orchestration.
- Empowering innovation with "Engineering to the Power of AI," boosting developer velocity and slashing time-to-market.
- Recognized for a culture of trust, inclusion, and bold innovation-building the future of work where people and AI thrive together.

Ascendion, a trailblazer in AI-powered software [engineering](#), is proud to announce once again its certification as a great workplace. This global accolade reinforces our commitment to a [workplace culture](#) that drives innovation, fosters inclusion, and empowers individuals to thrive.

Prakash Balasubramanian, Executive Vice President, Engineering [Services](#), Ascendion

At Ascendion, we redefine what it means to be a [technology](#) leader by delivering “Engineering to the Power of AI. Our mission is to revolutionize software engineering with AI-driven talent orchestration and innovation, solving critical [client challenges in trust](#), velocity, and capital efficiency. This certification isn’t just a milestone-it’s a [reflection](#) of our values: bold optimism, relentless curiosity, deep empathy, and unwavering allyship.

Being recognized as a great workplace for two years in a row highlights the transformative [culture](#) we’ve built-one that

empowers our people to achieve extraordinary outcomes for themselves and our clients,” said **Prakash Balasubramanian, Executive Vice President, Engineering Services**. This [recognition](#) validates our relentless focus on leveraging AI to elevate human potential, enabling our teams to create software that impacts lives.

“Our people are the heart of Ascendion,” added **Sangeeta Shetty, Associate Vice President, Human Resources**. This certification reflects the [trust](#), respect, and innovation that fuel our culture. It belongs to every Ascender who embodies our mission to deliver AI-enhanced [solutions that drive meaningful change](#).

As a Great [Place To Work](#) Certified™ company, Ascendion continues to lead in AI-first engineering, leveraging proprietary platforms like AVA+ to boost developer velocity by 60%, achieve 100% engineering transparency, and cut time to market by nearly half. Our [innovative approaches empower](#) enterprises to scale faster, innovate smarter, and deliver real-world impact.

This recognition builds on our recent accolade as one of India’s Best Workplaces™ in Health & Wellness 2023 and further solidifies [Ascendion’s](#) reputation as the partner of choice for engineering a future shaped by generative AI and human ingenuity.
