Axis Max Life Unveils Smart Innovation Fund to Tap High-Growth Sectors

The Axis Max Life Smart Innovation Fund aims to capitalize on emerging opportunities in artificial intelligence, healthcare, biotechnology, Financial sector, energy, consumer sector and other disruptive industries, offering potential long-term capital appreciation.

Sachin Bajaj, EVP and Chief Investment Officer, Axis Max Life Insurance, stated, *“Innovation is the key driver of economic growth, and investors today are keen to participate in transformative sectors that define the future. The Axis Max Life Smart Innovation Fund is designed to identify companies across sectors, that are going to benefit from the innovation theme and strategies. With a dynamic and actively managed investment approach, we aim to deliver sustainable long-term growth while aligning with evolving investor preferences.”*

In order to identify the most promising investment opportunities, Axis Max Life will assess and benchmark companies' innovation capabilities and potential across three critical dimensions: Commitment, Influence, and Originality. These parameters help evaluate businesses striving to enhance their competitive edge through innovative practices and technologies. Moreover, the fund's active management approach ensures adaptability to market conditions, making it a compelling addition to Axis Max Life's growing suite of ULIP investment options.

The fund will be available through Axis Max Lifes- ULIP products, including the Online Savings Plan, Flexi Wealth Advantage Plan, and Smart Term with Additional Returns ULIP.
