SUPERTEACHERS

India's Ultimate Coding Teachers Contest is here!

CASH REWARDS WORTH ₹5 LAKHS TO BE WON

PARTICIPATE NOW

FOR COMPUTER SCIENCE SCHOOL TEACHERS

This World Computer Literacy Day, [LEAD Group](#), India's leading School Edtech innovator, proudly announces the [Code.AI SuperTeachers Contest](#), a first-of-its-kind initiative to celebrate and empower Computer Science educators across India. Open to more than 50,000 Computer Science teachers in CBSE and ICSE schools across India, the contest will recognise Coding

and AI teachers who are using innovative pedagogical approaches to inspire students to become technology creators and problem-solvers.

The advertisement is a vertical rectangular graphic with a dark blue background. At the top right is the Pinnacle logo. Below it, the text 'CODE.AI' is in white on a dark blue background, and 'SUPERTEACHERS' is in white on a green background. To the right of this text is a circular icon showing a superhero silhouette and a woman in a red sari. The main headline reads 'India's Ultimate Coding Teachers Contest is here!' in large white font. Below that, 'CASH REWARDS WORTH ₹5 LAKHS TO BE WON' is written in cyan. The central image shows a woman in a yellow and orange sari holding a gold trophy. A white button with 'PARTICIPATE NOW' in blue text is overlaid on the image. At the bottom, a green bar contains the text 'FOR COMPUTER SCIENCE SCHOOL TEACHERS' in white.

LEAD Groups Coding SuperTeachers Contest – CODE.AI

Sumeet Mehta, CEO and Co-Founder, LEAD Group, said, “On World Computer Literacy Day, we were excited to launch the Code.AI SuperTeachers Contest. Computational and algorithmic thinking are critical skills for today’s students, and it’s essential to recognize and celebrate the [educators who are transforming the way these skills are taught](#). With Code.AI and our exceptional super teachers coming together, this contest is a tribute to their dedication and [innovation in preparing students](#) for a digital-first future.

The Code.AI SuperTeachers Contest celebrates Computer Science educators who use innovative teaching methods to instill love

of [technology](#) in students. Winners will be [honored at a national](#) level with certificates, cash prizes, and recognition across platforms. Beyond recognizing outstanding Computer Science teachers, the contest aims to encourage [innovation in how coding is taught in Indian schools](#). By adopting [innovative](#), NCF-aligned multimodal pedagogies in classrooms, schools can ensure that every student, regardless of location or background, has the opportunity to succeed.
