

Malkist Introduces Double Chocolatey Cracker Biscuits: Double the Chocolate, Double the Delight

Category: Business

written by | December 20, 2024

Malkist, the iconic sandwich cracker biscuit brand loved for its unique 14-layer crackers with delicious cheese filling, has launched an indulgent new flavour – Malkist Double Chocolatey. Crafted to delight the chocolate enthusiasts, it has a rich coating of velvety chocolate within the brand's signature crunchy crackers which are also chocolatey. This double chocolatey taste gives a snacking experience like never before.

Malkist launches New Double Chocolatey cream biscuit

To support the launch, Malkist has unveiled a television commercial that beautifully captures moments of joyful bonding and playful indulgence of its consumers. The creative features an interesting story centred around a father-son duo, highlighting how Malkist Double Chocolatey becomes a part of their everyday bonding moments. Through humour and a touch of curiosity, the story emphasizes the irresistible appeal of the new Double Chocolatey flavour while creating a strong connect with the viewers.

Sonal Dabral, founder of Tribha, the creative consultancy for the new creative, and also the director of the film, shared, *"We wanted to keep the story simple and snappy-just a father, a son, some playful banter, and the irresistibility of Malkist stealing the show. All packed into 20 seconds of engaging storytelling"*

Speaking about the launch, **Rituraj, Marketing [Head of Mayora India](#)**, expressed excitement about the new addition to Malkist's portfolio. He said, *"Malkist Double Chocolatey takes indulgence to the next level by combining Malkist's unique 14 layered crunchy crackers with rich Double Chocolatey flavour.
