

Rapyder Achieves Premier Tier Status within the Amazon Web Services Partner Network

Category: Business

written by | December 20, 2024

Rapyder Cloud Solutions is proud to announce achieving AWS Premier Tier Services Partner status within the AWS Partner Network (APN) in December, 2024.

Achieving the Premier Tier status differentiates Rapyder as an AWS Partner who demonstrated expertise and notable success in helping customers design, architect, build, migrate, and manage their workloads on AWS.

Amit Gupta, Founder & CEO, Rapyder Cloud Solutions

Speaking about this notable achievement, **Amit Gupta, Founder and CEO of Rapyder Cloud Solutions**, stated, *“Achieving AWS Premier Tier Services Partner status is yet another feather in Rapyder’s cap, reflecting the unwavering commitment, dedication, and perseverance of our entire team. This accomplishment not only reinforces our position as an industry leader but also enhances our value proposition and strengthens our credibility with customers. We are honored to attain the esteemed Premier Tier status. I extend my sincere gratitude to the AWS leadership and partner team for their unwavering support and guidance throughout this journey-your partnership has been instrumental in making this achievement a reality.”*

To earn the Premier Tier, companies must complete a rigorous approval process through accreditations and certifications, demonstrate a long-term investment in their relationship with AWS, and have extensive expertise in deploying customer solutions on AWS. AWS Premier Tier Services Partners also have a strong team of AWS-trained & certified technical consultants and deep expertise in project management and professional services.

Significant milestones and accomplishments have defined Rapyders remarkable journey to achieving AWS Premier Tier Services Partner status. Prior to achieving this landmark Rapyder has successfully attained 19 AWS Service Delivery Programs and earned five AWS Competencies, including Migration and Modernization and Generative AI, underscoring its deep technical expertise and commitment to excellence.

Recognized for its exceptional contributions, Rapyder secured a Multi-Year Strategic Collaboration Agreement (SCA) with AWS in 2024, demonstrating its unwavering dedication to driving customer success through innovative cloud solutions.

About Rapyder Cloud Solutions

Established in 2017 and headquartered in Bangalore, Rapyder Cloud Solutions is a leading cloud consulting partner for AWS, offering comprehensive expertise in Strategic Cloud Consulting, Migration and Modernization, Generative AI, Data Analytics, AI/ML, and Managed Cloud Services.
