

# Tackling Burnout in Corporate India: Happiest Health Announces a Free Trial of their Holistic Wellbeing Services

Category: Business

written by | December 5, 2024

Corporate India is facing increasing concerns over employee burnout, prompting organizations to seek effective wellness solutions. In response, Happiest Health has introduced a holistic wellbeing program, offering a 30-day complimentary experience to help companies address this critical issue. This program aims to enhance both physical and mental health, fostering a more balanced and productive workforce.
